- Created social teasers, Input music, graphics and effects to existing videos.
- Partnered with social, marketing and design teams to brainstorm and storyboard video concepts.
- Optimized YouTube videos with catchy titles, proper tags and background music, etc.

Professional Summary

As an experienced video animator and motion graphics designer, I am passionate about bringing stories to life through captivating visuals. With 7 years of experience in the industry, I have developed a deep understanding of how to use animation and motion graphics to enhance brand campaigns, product videos, and event content.

My strong skills in industry-standard software such as After Effects, Premiere Pro, and CreateStudio Pro coupled with my knowledge of design principles, typography, and color theory, enable me to create visually compelling and engaging motion graphics that align with brand guidelines.

I am an excellent team player with strong communication, problem-solving, and time-management skills. With my passion for innovation and staying up-to-date with the latest design and animation trends, techniques, and technologies, I am committed to delivering outstanding results that help businesses and brands succeed.
